What do we do when activated?

We have one job: Communicate

- Set up and operate stations and networks
- Send and receive messages at the request of and pleasure of the ‘served agency’

Types of messages

- Informal verbal (tactical) messages
- Informal written
- Formal written messages using ARRL or other format

2007 Drills in Albemarle County

- County or regional drills
 - DAM DRILL May 10
 - Fall Drill
- ARES Drills
 - Test of all antenna sites
 - After reinstalling two antennas
 - Red Cross drill/test
 - Fall SET integrated with Albemarle drill

Fixed Site Exercise

- Activate all the sites with fixed antennas
- Surrounding counties can participate
- Send a team to each site:
 - One ham with experience at the site
 - New ham to get familiar with the site
- Check signal strengths into all repeater locations, and simplex into command centers

2007 Public Service Events

- MS 150 June 9-10
- Bike races? TBD

Other speakers today

- K4DND Dave: ARES at the state and district level
- KG4OVD Cayman: Red Cross project
