Monday Night Info Net Script 12/1 Revised

"Are there any stations with Emergency or Priority Traffic before we begin the Monday Night Info net, please come now."

PAUSE

CQ, CQ, CQ Calling the Monday Night Information net (repeat 3 times).

PAUSE

"Good evening amateur radio operators. This is (**give date**), the **(x)** Monday of the month and as a result it's my time to be your net control for the Monday Night Info net. My name is Steve and call sign is KA4FOX.

"This is a directed net operating on the Repeater 146.925 linked with the 146.895 repeater."

"Anyone is welcome to check into the Monday Night Info Net. Please direct your calls to Net Control and enunciate your name and spell out your Call Sign in accepted Amateur phonetics. Please give you call slowly and clearly as this allows the club to keep the log entries correct without mistakes."

"I have (a few/no) announcements at the beginning of the Net." (List announcements) "If there are any stations with Emergency or Priority need to use this repeater, please come now."

PAUSE

"Nothing Heard so let's first start with any Mobile Stations. I will list mobile stations and then give the first opportunity to make any comments they wish to the net."

"Are there any mobile stations out there wishing to check in, please come now?" List Mobile Stations.

PAUSE

From Mobile List: "Welcome (name/callsign), please give us a comment."

Go down mobile list and then ask if there are any additional Mobile stations, please check in.

"Last call for any Mobile Stations.

PAUSE.

Hearing none, next let's go to Fixed or Portable Stations."

"Calling Stations with Suffix beginning Alpha through Echo, please come now."

"I acknowledge the following stations checking into the net. Welcome and please stand by."

"We will begin with post-numeric suffixes beginning Foxtrot through Juliet, please come now.".

"I acknowledge (list stations) to the net. Welcome and please stand by."

"Next calling Stations with suffix beginning Kilo through Oscar, please come now."

"I acknowledge (list) to the net. Welcome and please stand by."

"Stations with suffix beginning Papa Through Tango, please come now."

"I acknowledge (list) to the net. Welcome and please stand by."

"Stations with suffix beginning Uniform through Zulu, please come now."

"I acknowledge (list) to the net. Welcome and please stand by."

Review the List each callsign that I receive and then ask:

"Are there any other stations that I might have missed for check ins? Please come now."

Welcome and list latecomers by reading calls who have checked in. OR if nothing heard,

"Let's go back up to the top of the list and in sequence respond to your call, and give me your name and any information you might have for the net this evening."

After going down the List, ask

"Are there any further comments/ rechecks and/or late check ins, please come now.

This is (list your call for ID) Net Control for the Monday Night Info net."

To end Net:

"I want to thank all (X number) of stations that checked into the Monday Night Info net this evening. 73 and good evening to all."

(Note: If Repeater is in Net Mode ask for someone who knows code to put the Repeater back into Normal Mode.)
